Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning opportunity for public comment on proposed collections of information, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the information collection plans, call the SAMHSA Reports Clearance Officer on (240) 276-1243.

Comments are invited on: (a) whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: Treatment Episode Data Set (TEDS) (OMB No. 0930–0335) — Revision

The Substance Abuse and Mental Health Services Administration (SAMHSA) is requesting a revision of the Treatment Episode Data Set (TEDS) data collection (OMB No. 0930-0335), which expires on January 31, 2016. TEDS is a compilation of client-level substance abuse treatment admission and discharge data submitted by states on clients treated in facilities that receive state funds. SAMHSA is requesting the addition of client-level mental health admission and update/discharge data (MH-TEDS/CLD) submitted by states on clients treated in facilities that receive state funds. These mental health data have been previously collected in support of the Community Mental Health Services Block Grant (MHBG) and Substance Abuse and Prevention Treatment Block Grant (SABG) Application Guidance and Instructions (OMB No. 0930-0168).

TEDS/MH-TEDS/CLD data are collected to obtain information on the number of admissions and updates/discharges at publicly-funded substance abuse treatment and mental health services facilities and on the characteristics of clients receiving services at those facilities. TEDS/MH-TEDS/CLD also monitors trends in the demographic, substance use, and mental health characteristics of admissions. In addition, several of the data elements used to calculate performance measures for the Substance Abuse Block Grant (SABG) and Mental Health Block Grant (MHBG) applications are collected in TEDS/MH-TEDS/CLD.

This request includes:

- Continuation of collection of TEDS (substance abuse) client-level admissions and discharge data;
- Continuation of collection of MH-TEDS client-level admissions and update/discharge data of mental health clients beyond the pilot phase; and

- Addition of collection of MHCLD client-level admissions and update/discharge data (transferred from OMB No. 0930-0168).

Most states collect the TEDS/MH-TEDS/CLD data elements from their treatment providers for their own administrative purposes and are able to submit a cross-walked extract of their data to TEDS/MH-TEDS/CLD. No changes are expected in the (substance abuse) TEDS collection. No changes are expected in the (mental health) MH- CLD collection (other than recording the MH-TEDS/CLD burden hours separately from the Substance Abuse Block Grant (SABG) and Mental Health Block Grant (MHBG) application approval instructions (OMB No. 0930-0168) and the addition of MH-TEDS beyond the pilot phase. No data element changes for TEDS/MH-TEDS/CLD are expected.

The estimated annual burden for the separate TEDS/MH-TEDS/CLD activities is as follows:

Type of Activity	Number of Respondents (States/Jurisdictions)	Responses per Respondent	Total Responses	Hours per Response	Total Burden Hours
TEDS Admission Data	52	4	208	6.25	1,300
TEDS Discharge Data	52	4	208	8.25	1,716
TEDS Crosswalks	5	1	5	10	50
MH-CLD BCI Data	30	1	30	30	900
MH-CLD SHR Data	30	1	30	5	150
MH-TEDS Admissions Data	29	4	116	6.25	725

MH-TEDS Update/ Discharge Data	29	4	116	8.25	957
MH-TEDS Crosswalks		1	10	10	100
State Total	59		723		5,898
